

J.P. Taravella High School Band & Orchestra

TO: Prospective Event Sponsors	FROM: Neil Jenkins, Director	DATE: 1/28/2008

SUBJECT: Sponsorships for the 2008 JPTB&O Benefit Golf Tournament

As many of you may know, the J.P. Taravella High School Band & Orchestra program has become one of the finest programs across the nation. Recognition and awards are numerous from our various competitions and activities. Beyond the personal commitment of the students, their parents and the directors, our community has a lot to do with that success. Together, we have established a standard of excellence in all our programs. We call it “***JPT Pride.***” Tanks to our students, parents and Band Patron organization, our tradition continues in achieving excellence year after year.

In meeting that standard of excellence, we are always faced with the reality and challenge of funding it. While year in and year out our students and program continue to improve, the operational expense continues to rise. For the 2007-2008 school year, we are planning, once again, to host our 6th annual benefit golf tournament, banquet and auction that we expect will help us to cover a good portion of our expenses. We are asking the south Florida community of companies, organizations and families that are in a position to help us, to consider a sponsorship for the April 27th, 2008 event.

Details of the sponsorships available are on the following page and are also posted on a special website for the event, www.jpt-golf.org. As we have now started the organizational efforts for this benefit event, please select a sponsorship and contact us as soon as possible to ensure your participation. Besides the golf tournament, we will have several contests for your golfing skills, a banquet and a silent auction. Guest ensembles from our program will perform during the banquet and awards presentation. We are also planning to have media coverage and we expect some of our local celebrities to participate.

We thank you for your consideration and ask for your support in this exciting benefit event. For more information, please contact:
