

J.P. Taravella High School Band & Orchestra

TO: Prospective Event Sponsors	FROM: JPT Band Parents Organization	DATE: 1/28/2008
--	---	---------------------------

SUBJECT: JPT Band Parents Organization - Fund Raising Volunteer Introduction

As many of you know, the J.P. Taravella High School Band & Orchestra program has become one of the finest programs across the nation. Recognition and awards are numerous from our various competitions and activities. Beyond the personal commitment of the students, their parents and the directors, our community has a lot to do with that success. Together, we have established a standard of excellence in all our programs. We call it “*JPT Pride.*” Our tradition continues in achieving excellence year after year.

In meeting that standard of excellence, we are always faced with the reality and challenge of funding it. While year in and year out our students and program continue to improve, the operational expense continues to rise. For the 2007-2008 school year, we are planning, once again, to host our 5th annual benefit golf tournament, banquet and auction that will help us to cover a portion of our expenses. We are asking the south Florida community of businesses, organizations and families that are in a position to help us, consider a sponsorship for the April 27th, 2008 event.

Before you is _____, one of our Parent Volunteers assisting us in the community. Please take a moment to review this year’s event information and support our program though sponsorship, golf and banquet participation or in any way you can assist through donations of your company’s products or services.

With great appreciation,

David Tolliver
